GOOGLE IN EDUCATION: A NEW AND OPEN WORLD FOR LEARNING

Google has gathered its resources and lessons learned into one place. “*Google in Education: A New and Open World for Learning*” highlights how people are using Google resources to enhance teaching and learning.

EMPLOYMENT ONTARIO NEWS AND INFORMATION

MTCU’s Employment Ontario Partners Gateway (EOPG) website provides a wealth of information on the latest developments.

See: www.tcu.gov.on.ca/eng/eopg/newpostings.

Recent news from the Ministry of Training, Colleges and Universities includes:

- ***January 2012 Update for Literacy and Basic Skills Service Delivery Organizations***
 - www.tcu.gov.on.ca/eng/eopg/publications/lbs2012-01_sp_update.pdf
- ***LBS Learner Carryover and Transition Guide for April 2012***
 - www.tcu.gov.on.ca/eng/eopg/publications/lbs_learner_carryover_transition_guide.pdf
- ***Employment Services Snapshot:***
 - MTCU has produced a resource on the EOPG called “*ES Snapshot*”. It gives an overview of trends, issues and performance in Employment Services programming from EOIS-CAMS data as the of end of September 2011:
 - www.tcu.gov.on.ca/eng/eopg/publications/20120201_es_snapshot.pdf
- ***Using the correct email to contact MTCU with your OALCF questions:***
 - MTCU wants to remind LBS agencies to send all OALCF specific inquiries to: oalcf@ontario.ca
 - Apparently, a few organizations have been using the general ministry website email address. This means that the response to your questions would be delayed since your email would go through the Ontario government communications office and will take a long time for it to get routed back to the appropriate people at MTCU.

In the coming months, MTCU will also be posting a series of ***OALCF Question and Answer Bulletins***, so be sure to watch the EOPG for these helpful tools.

THE MINISTER OF FINANCE'S PRE-BUDGET CONSULTATIONS

The Minister of Finance will be hosting pre-budget consultations with the general public, organizations, associations and other stakeholders. The Ministry of Finance is encouraging input via email, fax and mail.

As we do every year, Community Literacy of Ontario will be submitting our feedback to the Minister of Finance. In this critical time for our province's economy, as literacy organization and citizens of Ontario, CLO encourages you to submit your ideas and priorities for the 2012 budget.

For information on the submission process, visit: www.fin.gov.on.ca/en/consultations/prebud/
