

Displaced Workers and LBS Survey

October 9, 2020

Community Literacy of Ontario, CESBA, the College Sector Committee and Laubach Literacy Ontario are exploring the issues, needs and promising practices facing displaced workers in Literacy and Basic Skills programs.

We are hoping that literacy educators from all sectors and regions of Ontario will fill out this brief survey so that we may learn more about this important issue. All feedback will be kept confidential and only used in the aggregate. We will share our findings in February 2021, in a brief summary report on Displaced Workers and LBS. This report will be publicly available on our websites.
