Dear literacy colleagues,

Community Literacy of Ontario is pleased to share our newest resource:

## **Employment Resources Guide**

### **Popular Resources for Learners with Employment Goals**

As part of our 2019/2020 business plan, CLO researched and annotated this list of popular resources used by LBS instructors to teach learners on the employment goal path.

To find these resources, CLO developed a survey asking practitioners about their favourite instructional resources (34 LBS organizations responded). The resources compiled in our annotated list come directly from the survey results. Thank you to everyone who participated in our survey.

In this annotated resource list, you'll find **35 resources**, including manuals, guidebooks, online learning opportunities, web-based modules and websites. The resources are presented in alphabetical order and are not in any order of priority.

These resources have been selected because they were:

- Commonly identified by LBS practitioners in our survey
- Relevant to learners on the employment goal path
- Available free of charge
- Accessible via the internet

Our Employment Resources Guide is now freely available on our [website](#).

Community Literacy of Ontario sincerely hopes that this annotated list of resources is helpful to LBS practitioners who are supporting adult learners with employment goals. Thank you for the important work you do.
