

## CLO's Apprenticeship / Skilled Trades Factsheets: *Strategies, Resources and Innovative Partnerships*

Apprenticeship and the skilled trades are an important goal path for many adult learners, and the province's Literacy and Basic Skills (LBS) programs provide valuable support to help prospective apprentices develop the skills they need to succeed.

To learn more about this important issue, Community Literacy of Ontario (CLO) conducted research, wrote a report, and created three accompanying factsheets.

CLO's Apprenticeship / Skilled Trades Factsheets in LBS cover the following topics and can be freely downloaded from CLO's website:
