Community Literacy of Ontario, Laubach Literacy Ontario, the College Sector Committee for Adult Upgrading and CESBA are very pleased to share our report on “**Displaced Workers and LBS Programs – Strategies and Resources**”.

In this innovative and timely report, we share a snapshot of displaced workers in Literacy and Basic Skills programs in Ontario. The focus of our report is on successful strategies, promising practices and helpful resources.

The shock and loss faced by displaced workers can be traumatic and overwhelming. It is our sincere hope this report is valuable to you and the adult learners you serve.

This report is freely available online at:
