Community Literacy of Ontario researched and wrote eight success stories on effective partnerships between Literacy and Basic Skills agencies and Ontario Works.

From these stories, we created our "[Partnership Success Stories: Literacy and Basic Skills Agencies and Ontario Works](#)" newsletter.

We hope that these stories increase knowledge and understanding of the many creative ways in which LBS agencies across the province are working with Ontario Works to provide support to adult learners.

CLO is very pleased to share these success stories in this newsletter and we are grateful to the LBS educators who shared their stories with us!
