Community Literacy of Ontario is pleased to share our latest newsletter with you: "[Success Stories: Employment-Related Experiential Learning in LBS](#)".

This newsletter highlights ten experiential learning success stories. The stories we have shared reflect the experiences in different types of LBS agencies in diverse communities across the province.

These stories also reflect various types of employment-related experiential learning. Examples include:

- Social enterprise
- Structured volunteer opportunities
- Occupational curriculum
- Community partnerships

CLO is very grateful to the educators from the ten LBS agencies who took the time to be interviewed and share their stories with us. Thank you for your creativity, hard work, and strong commitment to adult learners!

We hope that you enjoy these practical and innovative success stories from your colleagues, and that they are an inspiration to you in the important work that you do.
