Upskilling & Displaced Workers - A Tale of Two Ontario LBS Pilot Projects

On February 15, 2022, Community Literacy of Ontario was pleased to host a successful webinar called ***“Upskilling & Displaced Workers - A Tale of Two Ontario LBS Pilot Projects.”***

In this webinar, we heard about the innovative strategies and programming implemented by two LBS agencies: Adult Language and Learning (Chatham) and Community Learning Alternatives (Belleville).

These pilot projects are part of the *“National Research Project on Displaced Workers”* hosted by Decoda Literacy Solutions in British Columbia. CLO serves on the advisory committee for this important project, and we highlight the helpful resources created as part of this initiative.

You can watch the recorded version of our Upskilling & Displaced Workers webinar via this link: <https://vimeo.com/681418750>.
