Digital Resilience in Uncertain Times – LBS Stories and Strategies

May 6, 2021

2020 served up disruptions, challenges, and uncertainty throughout the year. Ontario's Literacy and Basic Skills organizations worked quickly to find unique solutions to meet their clients' needs online and from a distance.

Community Literacy of Ontario interviewed several community-based LBS organizations and heard the stories of how organizations pivoted to make it through the difficult adjustment period of transitioning to remote service delivery.

Join us to hear the inspirational stories of three LBS agencies: People, Words & Change, Spark Employment Services and The Literacy Group in our “**Digital Resilience in Uncertain Times – LBS Stories and Strategies**” webinar.
